Sir,

With reference to your letter No. 10450/M1. 162-12-20 dated the 28th ultimo, regarding the allotment of sites to the owners of houses adjoining the City Vegetable Market, I have the honor to state that two of the owners, viz, Y. Ramachandra Rao and Udapi Subbanna chetty though offered sites in the old Pioneercherry, preferred to build in the Basavangudi Extension as being more convenient to them and applied for sites in the Health Camp, offering to build suitable houses according to designs that may be approved. As I saw no objection to grant their request and they evinced a desire to shift themselves to a healthy and open quarter of the City, they were allotted sites in the Health Camp.

2. As regards the remaining four owners, the ownership of door Nos. 20 and 22 is under dispute and door No. 17 is only a vacant site and the owner thereof is not a resident of this City. The owner of door No. 14 has just appeared and presented his claim. Sites will be allotted in the Old Pioneercherry to the owners of door Nos. 20 and 22 after their dispute is settled and to the owner of door No. 14.

3. There seems no necessity to allot any site to the owner of the vacant land No. 17.
